Dear Friends and Supporters,

October 2017

As we prepare to return to Uganda I can't help but reflect on how good God has been to us. Beginning six years ago when 9 of us traveled to Kampala to minister at a modest church in the worst slum area of the city, we were so blessed by the humility and graciousness of our host congregation. And I am reminded each year of the willingness of team members to take time from their busy schedules to go travel 8000 miles to a beautiful country but lacking in electricity and water and minister to the people. How a single building on a 5 acre plot has grown into an orphanage/school of over 250 children and 8 buildings. Where there was no meal each day, now there are 2, where they slept on the ground in the most inhospitable conditions now they sleep on a bed in a dormitory. Where there was no education now there is a nursery and 7 classroom building. Where there was fear and loneliness now there is love and security.

With the generosity and support of our church and donors we have been able to assist another Ugandan church of 6000 with electronic equipment, replacement of a damaged radio tower and construction of a of radio studio which reaches over 3 million listeners. And this year we are partnering with them to bring on a TV station which will broadcast to over 130 million people and touch 6 countries.

Water Purification

Radio Broadcasting

Our teams include providing medical attention at 2 orphanages and 3 churches, readers for the elderly, shoes that grow for the children, sewing machines to make uniforms, bicycles and bibles for pastors and water purification. Also an ultra-sound for a women's clinic which has reduced abortions and insured safe delivery of babies. We have ministered at numerous conferences to crowds of 20 as well as 9000. We have laid hands on the sick and prayed for healing, jobs, family and children. And God has always shown up.

I hope you realize how grateful we are to be able to make these trips and do these works which would not be possible without your continued support. We are looking forward to our next trip which leaves October 17<sup>th</sup> and to what God is going to do this time in Uganda.

Blessings,

Judy and Art Erickson
